

Development Education Empowerment of the Disadvantaged in Society (DEEDS)

Introduction : There are over five million Deaf in India & yet of the one million NGOS in India less than 0.1% support the cause of the Deaf. DEEDS thus decided to embrace this cause, 6 years ago. DEEDS aim is to educate, enable & empower the Deaf with the focus on making the Deaf self reliant & contributors to mainstream society. With 11 ongoing projects & 13 learning centres, DEEDS has touched the lives of 8,500 Deaf & their families through its projects that cover education, vocational training, placement & provision of testing & remedial facilities.

DEEDS objective is bringing joy into the silent world of the 5 million Deaf who listen with their hearts & sing with their souls.....
