Overview

An understanding of fundamental concepts of economics is essential to superior decision making by managers - particularly, engineers and technical personnel. Corporates have observed a knowledge gap in this vital area. Towards this end, we have designed this program which aims at providing participants with the essentials of economic theory and practice.

Objective

- Understand key concepts of economics.
- Appreciate the role of economics in business and thereby help improve their decision-making skills.
- Stimulate interest in the subject and keep them interested in continuous learning.

For Whom

Managers and executives at all levels with engineering, science or non-finance qualifications will benefit from this program.

Faculty

Prof. Manoj P. Rege (*Profile given overleaf*)

Participation Fees

Rs. 3,000/- plus Service Tax @ 10.3% for members of the Bombay Chamber & alumni of We School

Rs. 5,000/- plus Service Tax @ 10.3% for non-members

(The fee includes tuition, business lunch and refreshments)

Participants will be issued a certificate of participation after the programme

Prof. Manoj P. Rege

Prof. Manoj Rege graduated with Economics Hon. from the Elphinstone College, Mumbai and later read Development Economics for his Masters at the University of Sussex, UK.

Joining the Indian Economic Service (IES) in 1973, Prof. Rege has worked in different advisory and administrative capacities with the Govt. of India. He was the Regional Evaluation Officer of the Planning Commission, and also Secretary, Planning Commission's Advisory Group on Consumer Industries, Dy. Director General of Commercial Intelligence and Director Member, Forward Markets Commission. Later he was Additional Economic Advisor, Ministry of Food & Civil Supplies.

Prof. Rege topped the IES Examination conducted by the UPSC in 1973 and was awarded a Technical Cooperation Study Fellowship of the Govt. of UK in 1984-85. He is also an Independent Director of Companies in the Industrial Finance Corporation of India (IFCI) group viz. I-FIN Ltd. and I-Fin Commodities Ltd. and is the non-executive Chairman of the latter. He is an authority in his subject and an accomplished trainer.

Overview & Objectives

This program has been designed to provide the participants with an overview of the private equity industry and its working. The objective of the program is to help participants gain knowledge and proficiency to raise private equity capital through the understanding of the role and operations of a private equity fund, and the complex financial engineering methods it uses.

The participants could expect to learn about how to tap private equity capital to finance a company, investment process of a fund, due diligence and documentation, and choice and management of exit route.

The course will emphasise the practical aspects through case based analysis, workshop sessions and negotiation simulations.

For Whom

- Start-up and SME entrepreneurs seeking knowledge on private equity or venture capital funding.
- CFOs, strategic management personnel of companies looking at raising growth capital.
- Professionals engaged in private equity funding, venture capital funding, banks, investment banks, merchant banks, corporate finance, debt finance, consulting, financial advisory services, etc.
- Professionals working in law and accounting firms.
- Management and Accountancy students looking to take up a career in the venture capital & private equity profession.

Overview

Management is communication and communication is indeed management. Effective communication can result in improved interpersonal communication, win-win negotiations, successful selling and overall improvement in customer/stake-holder relationships and networking at all levels. This workshop can help participants to hone their skills and give them the confidence needed for successful presentations and negotiations.

Objective

The objective of this programme is to help participants improve their communication and presentation skills and to develop insights for making communication effective, persuasive and powerful.

For Whom

Junior and middle-level managers from small and medium enterprises (SMEs), private and public sector organisations and anyone else who wishes to improve his/her effectiveness in managing others at the workplace would find this programme beneficial.

Prof. V. H. Iyer

Prof. V.H. Iyer is a core faculty for Total Quality Management and Dean of the Management Development Center, We School. He has trained over 600 trainers of Larsen & Toubro Ltd. all over the country.

In 1996 he was selected as the 'Best National Faculty' of IIMM. He is also a well accepted writer in business journals and newspapers. Many of his past students are great trainers themselves and this is his success.

Past Chairman of IIMM, he is presently Director of Omnitech InfoSolutions Ltd. He has been a corporate trainer for over 1500 programmes.

Overview

Brands matter, and branding matters more than ever. With the rising cacophony of choices and competition all around, brands are the most effective way of cutting through the noise to reach people's hearts and minds. Branding is fast becoming the most effective way of bringing in focus, synergy, loyalty and overall business success. Branding is a big buzzword in marketing today. Brands pave the way for marketing success. This workshop will help participants in building a better, stronger brand so that they can compete successfully with companies across the globe.

Objective

This workshop is specially designed for owner-managed companies and top management of small and medium enterprises across sectors to understand the concept of branding and how to apply it to their businesses. A step by step approach to building the corporate brand identity will be presented along with a detailed roadmap of how the identity can be transferred into business processes at every level to gain maximum synergy. The course will be in a workshop format. Participants will have the opportunity to work on their own company brands throughout the program. At the end of the workshop, participants will have a brand strategy plan that they can implement in their organisation.

For Whom

Owners and managers of small and medium enterprises in any industry sector, corporate communication managers of organisations, marketing and sales executives of organisations would find this workshop beneficial.

BOMBAY CHAMBER OF COMMERCE AND INDUSTRY

The Bombay Chamber of Commerce & Industry is India's premier Chamber of Commerce & Industry situated in Mumbai, the industrial, financial and commercial capital of India. Established in 1836, it is one of the oldest Chambers in the country and has a long and illustrious history of continuous service to Trade and Industry.

The Chamber can boast not only of its longevity but also of its impeccable lineage. With more than 4000 prime companies as its members, the Chamber represents the cream of Indian Industry, Commerce and Services. While the name 'Bombay Chamber' conjures images of an organization representing exclusively a city-based membership, in reality it represents a wide spectrum of highly reputed and professionally run companies which are based in the city of Mumbai, but whose manufacturing facilities and commercial influence spread not only all over India but also internationally.

The Bombay Chamber's membership represents as much as a third of the country's GDP in the manufacturing and services sectors. The Chamber uniquely represents large and medium sized corporations, banking and financial institutions, professional consulting companies and a large number of multinationals.

WE SCHOOL

Prin. L. N. Welingkar Institute of Management Development & Research (We School), Mumbai is a part of the S.P. Mandali, Pune which manages a large number of educational institutions in Maharashtra, prominent among them being, the Ruia and Podar Colleges, Mumbai and the S.P. College, Pune.

We School, Mumbai is consistently ranked among the top management Schools in the country. The School is recipient of 'Outstanding Institute of Management of the Year Award' by Bombay Management Association in 2010. The School is well known for its magnificent infrastructure, academic excellence and industry interface.

We School - Management Development Center is renowned for providing customised executive education and learning to a large base of corporates in Manufacturing, IT, Infrastructure, Telecom, Banking, Healthcare, Agribusiness, Travel & hospitality and other sectors.
